North Carolina Department of Environment and Natural Resources

DWI Application for Funding - NCDEQ DWI

1. General Information

Grants and low-interest loans are available for drinking water, wastewater and stormwater projects, both construction and planning. Complete your application form and required documentation using the Division's forms application page and then use this online submission page to upload your application and all documents. This portal does not substitute for filling out the Application for Funding form, which you are required to do and upload on the next tab. Applications are due September 30, 2022 by 5:00pm.

Part A.
