A decorative graphic on the left side of the slide features several green elements: a large light green circle at the top left, a smaller medium green circle at the top center, and four leaf-shaped cutouts arranged in a circular pattern. Each leaf contains an aerial photograph of a lush green landscape with rows of crops and palm trees. The text 'Leadership Program Overview' is positioned to the right of these elements.

Leadership Program Overview

Emma Millins- Intern
NCDEQ Environmental
Stewardship Initiative

Logo Use:

- Revise logo use policy

Ideas for Additional Benefits

Networking, Training, and Collaboration:

- Mentoring request form
- LinkedIn page for ESI Members and their staff
- Profiles of inter-member mentoring and assistance

Financial Benefits and Eligibility for Other Awards:

- Collaboration with external awards
- Assistance with grant applications
- Opportunities for members to request letters of recommendation

Regulatory Benefits:

- Ongoing internal discussion

Leadership Positions or Upper-Level Influence:

- Members group to discuss benefits and perform periodic reviews of our program
- Opportunities to present with DEQ Secretary at special events

Other Ideas

- Compiled handbook containing requirements for membership, benefits, event summaries, and other information that will be publicly available on ESI Website
- Members SharePoint site
- Anonymous comments and concerns form on ESI website that is reviewed weekly at ESI Check-in Meetings
- Online annual report form and online application form
- ESI Booster Club

Purpose of a Booster Club is to encourage and support the core values, mission, and continual improvement of the ESI program. Could assist with:

- Funding opportunities
 - Event planning
 - Sponsorship
- 
- 
- 
-
