Demolition of site buildings may be conducted provided that work is completed in accordance with all applicable legal requirements, including without limitation those related to lead and asbestos abatement that are administered by the Health Hazards Control Unit within the Division of Public Health of the North Carolina Department of Health and Human Services. **Please note that soil disturbance or removal of the building slabs/parking lots may not occur at the site until a DEQ Environmental Management Plan (EMP) is approved.**

Be advised that this approval from DEQ Brownfields does not waive any applicable requirement to obtain any necessary permits, licenses or certifications for demolitions, nor does it waive any requirement to comply with applicable law for such activities.
