

1 15A NCAC 07H .2802 is proposed for adoption as follows:
2

3 **15A NCAC 07H .2802 APPROVAL PROCEDURES**

4 (a) An applicant for a General Permit under this Subchapter shall contact the Division of Coastal Management and
5 request approval for development.

6 (b) The applicant shall provide:

7 (1) Information on site location, dimensions of the project area, and applicant name and address.

8 (2) A copy of a deed or other instrument under which the applicant claims title to the property upon
9 which the development will occur, or other evidence of the ownership of the property or lawful
10 authority to make use of the property. If the applicant is not the owner, the applicant must provide
11 written permission from the owner to carry out the project on the property.

12 (3) Notwithstanding the provisions of 15A NCAC 07J .0204(b)(5), adjacent riparian landowner
13 notification is not required.

14 (c) No work shall begin until an on-site meeting is held with the applicant, a Division of Coastal Management
15 representative, and a Wildlife Resources Commission representative to inspect and mark the site of construction of
16 the proposed development.
