3 **15A NCAC 07H .2804 GENERAL CONDITIONS**

4
5 (a) Temporary weather monitoring structures for the purpose of this General Permit are structures temporarily
6 installed on the dry sand area of the beach as defined in G.S. 77-20(e), for the specific purpose of collecting
7 meteorological data during approaching storms.

8 (b) This General Permit shall not be applicable to proposed development where the Division of Coastal Management
9 has determined, based on an initial review of the application, that notice and review pursuant to G.S. 113A-119 is
10 necessary because there are unresolved questions concerning the proposed activity's impact on adjoining properties
11 or on water quality, air quality, coastal wetlands, cultural or historic sites, wildlife, fisheries resources, or public trust
12 rights.

13 (c) The permittee shall allow the Division of Coastal Management or other representatives of the Coastal Resources
14 Commission to make periodic inspections at any time necessary to ensure that the activity being performed under
15 authority of this General Permit is in accordance with the terms and conditions prescribed herein.

16 (d) The permit set forth in this Section does not eliminate the need to obtain any other state, local, or federal
17 authorization, not to abide by federal, state, or local laws and ordinances, nor to abide by rules or regulations adopted
18 by any federal, state, or local agency.
