

**State of North Carolina  
Department of Environmental Quality**

Applicant Certification Form

For water main extensions not owned by the supplier of water

No construction, alteration, expansion, or interconnection of a community or non-transient, non-community public water system shall be placed into final service or made available for human consumption until the applicant has submitted this certification and have received Final Approval from the Department.

Certification must be provided by the following individual or their duly authorized representative:

1. For a corporation, limited liability company, home owner association or non-profit organization: *a president, vice president, secretary, or treasurer.*
2. For a partnership or sole proprietorship: *by a general partner or the proprietor.*
3. For a municipality, State, Federal or other agency: *by either a principal executive officer or ranking elected official.*

By the signature below I certify that:

- The referenced project is a water main extension connected to a Public Water System, however the line extension is not owned by the Supplier of Water (i.e., the owner or operator of the supplying Public Water System) and will not be operated as a regulated Public Water System. If this project becomes a regulated Public Water System as defined by the N.C. General Statutes 130A-313, I will notify the appropriate Regional Engineer of the Public Water Supply Section immediately.
- I acknowledge that the Supplier of Water is not responsible for operation, maintenance, and repair of the below referenced project.
