

PUBLIC NOTICE
N. C. Department of Environmental Quality, Division of Waste Management
Hazardous Waste Section
PUBLIC HEARING FOR DRAFT RENEWAL PERMIT
ECOFLO, INC.
GREENSBORO, NORTH CAROLINA

This is to notify the public of the issuance by the North Carolina Division of Waste Management's Hazardous Waste Section of a draft renewal permit for ECOFLO, Inc. located at 2750 Patterson Street in Greensboro, North Carolina.

A public hearing will be held on Wednesday, August 26, 2026 at 12:00 pm at the Glenwood Branch Library Multipurpose Room located at 1901 West Florida Street in Greensboro, North Carolina. All attendees will have the opportunity to present five (5) minute oral statements regarding the draft renewal permit and/or to submit written comments and data. Written comments can also be sent during the public comment period of July 22, 2026 – September 5, 2026 to the following address:

Heather Standish, Hazardous Waste Section Chief
Division of Waste Management, NCDEQ
MSC 1646
Raleigh, NC 27699-1646

All data submitted by the applicant is part of the administrative record and available at <https://deq.nc.gov/about/divisions/waste-management/laserfiche>. Documents may be located by using the ID# NCD980842132. The draft modified permit and fact sheet can also be found online at: <https://deq.nc.gov/public-notice-hearings>

A summary of the renewal permit follows: ECOFLO is a commercial hazardous waste storage and treatment facility, which accepts RCRA-listed and characteristic wastes from many types of industries. Wastes are received for onsite storage in their original containers prior to offsite treatment and disposal. Wastes are also received for onsite treatment or consolidation prior to shipment to another facility for treatment and disposal. Both bulk and containerized shipments of hazardous wastes are accepted for on-site management in containers and tanks. The permit will allow ECOFLO to manage up to 95,645 gallons of hazardous waste in eight container storage areas, up to 40 cubic yards of hazardous waste in the roll-off container storage area, and up to 70,000 gallons of hazardous waste in seven tanks.

All comments received during the public comment period or at the hearing will be considered in the decision regarding this renewal permit. Comments received after the public comment period ends will not be considered. The statutory authority for calling the permit hearing is G.S. 130A-294(f). Applicable State rules are found in the North Carolina Hazardous Waste Management Rules 15A NCAC 13A .0105, .0109, and .0113. These rules adopt the requirements of the Federal Resource Conservation and Recovery Act as amended by the Hazardous and Solid Waste Amendments of 1984.
