

Local Erosion and Sediment Control Program Jurisdictions:

The following is a list of the Locally Delegated Erosion and Sedimentation Control Programs and their jurisdictions. Riparian Buffer areas are listed for all programs which may contain areas inside a Riparian Buffer zone.

Please Note: All projects funded in-part or in-whole by public monies will fall under NC DEQ – DEMLR jurisdiction. Additional design considerations, buffers and regulations not listed below may apply.

Extraterritorial Jurisdiction will be abbreviated as ETJ.

NC DEQ-DEMLR Regional Offices are abbreviated as follows:

Asheville Regional Office (ARO), Fayetteville Regional Office (FRO), Mooresville Regional Office (MRO), Raleigh Regional Office (RRO), Washington Regional Office (WaRO), Wilmington Regional Office (WiRO) and Winston-Salem Regional Office (WSRO).

<u>Local Program</u>	<u>Jurisdiction</u>	<u>Special Design Considerations</u>	<u>NC DEQ – DEMLR Regional Office</u>
Town of Apex*	Corporate Limits and ETJ	Jordan Lake Buffer Area, Neuse Buffer Area	RRO
