

Update on the Sedimentation Education Program

Fall Workshops

Upcoming E&SC design workshops have been scheduled for:

- October 21-22, 2008 at the Holiday Inn Select in Hickory
- November 5-6, 2008 at the Sheraton in New Bern

We will need a speaker to open each workshop with welcoming remarks. If you are interested and available, please let us know. Also, if you would like to attend either workshop, please let us know so that we may reserve a spot for you.

Contract Status

Two contracts are in place:

- Four Workshops for Design Professionals (WRRI)
- Production of Sediments Newsletter (NCSU Water Quality Group)

The Local Program Annual Workshop and Banquet contract has not yet been approved.

Sedimentation Education Committee

The Sedimentation Education Committee will be evaluating proposals for contractor training workshops, plan preparation training modules, and improvements to the SECREP (Sediment and Erosion Control Research and Education Facility) at NCSU.

The remaining unencumbered education funds from the legislature totals \$68,840.00.
