

SECTION 3. G.S. 113A-54.1 reads as rewritten:

"§ 113A-54.1. Approval of erosion control plans.

(a) A draft erosion and sedimentation control plan must contain the applicant's address and, if the applicant is not a resident of North Carolina, designate a North Carolina agent for the purpose of receiving notice from the Commission or the Secretary of compliance or noncompliance with the plan, this Article, or any rules adopted pursuant to this Article. If Except as provided in subsection (a1) of this section, if the applicant is not the owner of the land to be disturbed, the draft erosion and sedimentation control plan must include the owner's written consent for the applicant to submit a draft erosion and sedimentation control plan and to conduct the anticipated land-disturbing activity. The Commission shall approve, approve with modifications, or disapprove a draft erosion and sedimentation control plan for those land-disturbing activities for which prior plan approval is required within 30 days of receipt. The Commission shall condition approval of a draft erosion and sedimentation control plan upon the applicant's compliance with federal and State water quality laws, regulations, and rules. Failure to approve, approve with modifications, or disapprove a completed draft erosion and sedimentation control plan within 30 days of receipt shall be deemed approval of the plan. If the Commission disapproves a draft erosion and sedimentation control plan or a revised erosion and sedimentation control plan, it must state in writing the specific reasons that the plan was disapproved. Failure to approve, approve with modifications, or disapprove a revised erosion and sedimentation control plan within 15 days of receipt shall be deemed approval of the plan. The Commission may establish an expiration date for erosion and sedimentation control plans approved under this Article.

(a1) If the applicant is not the owner of the land to be disturbed and the anticipated land-disturbing activity involves the construction of utility lines for the provision of water, sewer, gas, telecommunications, or electrical service, the draft erosion and sedimentation control plan may be submitted without the written consent of the owner of the land, so long as the owner of the land has been provided prior notice of the project.

DENR CIVIL PENALTY ASSESSMENTS

SECTION 13.6. Part 1 of Article 7 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"§ 143B-279.16. Civil penalty assessments.

(a) The purpose of this section is to provide to the person receiving a notice of violation of an environmental statute or an environmental rule a greater opportunity to understand what corrective action is needed, receive technical assistance from the Department of Environment and Natural Resources, and to take the needed corrective action. It is also the purpose of this section to provide to the person receiving the notice of violation a greater opportunity for informally resolving matters involving any such violation.

(b) In order to fulfill the purpose set forth in subsection (a) of this section, the Department of Environment and Natural Resources shall, effective July 1, 2011, extend the period of time by 10 days between the time the violator is sent a notice of violation of an environmental statute or an environmental rule and the subsequent date the violator is sent an assessment of the civil penalty for the violation."
