Workshops

Fall E&SC Design Workshops

The first fall 2012 Erosion and Sedimentation Control Planning and Design Workshop was held on October 10, 2012 at the Swansboro Rotary Civic Center. There were 40 participants for this event, which included 27 paying registrants.

The second Design Workshop is scheduled to be held on November 15, 2012 at the Highland Recreation Center Community Room, in Hickory.

The third Design Workshop is scheduled to be held on December 4, 2012 at the North Carolina Rural Center, in Raleigh.

Annual Workshop and Banquet for Local Programs

Planning for the local program workshop is in progress with the Water Resources Research Institute (WRRI) staff.

Contract Administration

Three contracts for Fiscal Year 2012-2013 are all in place. Contracts have been executed for support of five workshops for design professionals, support for the annual local program workshop and awards, and support for the continuation of the *Sediments* newsletter. The budget for contract proposals totaled \$120,263.
