## Division of Energy, Mineral, and Land Resources Land Quality Section **National Pollutant Discharge Elimination System** NCG080000 Notice of Intent

This General Permit covers STORMWATER DISCHARGES associated with activities under the following Standard Industrial Classifications: SIC 40 [Railroad Transportation], SIC 41 [Local and Suburban Transit and Interurban Highway Passenger Transportation], SIC 42 [Motor Freight Transportation and Warehousing – except for SIC 4221-4225], SIC 43 [United States Postal Services], SIC 5171 [Petroleum Bulk Stations and Terminals – when total petroleum site storage capacity is less than 1 million gallons]. The following activities are also included: other industrial actives where the vehicle maintenance area(s) are the only area requiring permitting; stormwater discharges from oil water separators and/or from secondary containment structures associated with petroleum storage facilities with less than 1 million gallons of total petroleum site storage capacity. You can find information on the DEMLR Stormwater Program at deq.nc.gov/SW

**Directions:** Print or type all entries on this application. Send the original, signed application with all required items listed in Item (6) below to: NCDEMLR Stormwater Program, 1612 MSC, Raleigh, NC 27699-1612. The submission of this application does not guarantee coverage under the General Permit. Prior to coverage under this General Permit a site inspection will be conducted.
