Division of Energy, Mineral, and Land Resources Land Quality Section **National Pollutant Discharge Elimination System** NCG130000 Notice of Intent

This General Permit covers **STORMWATER DISCHARGES** associated with activities classified as: the wholesale trade of non-metal waste and scrap (hereafter referred to as the non-metal waste recycling industry) a Portion of Standard Industrial Classification Code (SIC) 5093 and like activities deemed by DEMLR to be similar in the process and/or the exposure of raw materials, products, by-products, or waste materials.

The following activities are specifically excluded from coverage under this General Permit: facilities primarily engaged in the wholesale trade of metal waste & scrap, iron & steel scrap, and nonferrous metal scrap; facilities primarily engaged in waste oil recycling; and facilities primarily engaged in automobile wrecking scrap. You can find information on the DEMLR Stormwater Program at deq.nc.gov/SW.

Directions: Print or type all entries on this application. Send the original, signed application with all required items listed in Item (6) below to: NCDEMLR Stormwater Program, 1612 MSC, Raleigh, NC 27699-1612. The submission of this application does not guarantee coverage under the General Permit. Prior to coverage under this General Permit a site inspection will be conducted.
