Division of Energy, Mineral, and Land Resources Land Quality Section **National Pollutant Discharge Elimination System** NCG190000 Notice of Intent

This General Permit covers STORMWATER DISCHARGES associated with activities under the following Standard Industrial Classifications: SIC 373 [Ship and Boat Building and Repairing] and SIC 4493 [Marinas]. You can find information on the DEMLR Stormwater Program at deg.nc.gov/SW.

Directions: Print or type all entries on this application. Send the original, signed application with all required items listed in Item (6) below to: NCDEMLR Stormwater Program, 1612 MSC, Raleigh, NC 27699-1612. The submission of this application does not guarantee coverage under the General Permit. Prior to coverage under this General Permit a site inspection will be conducted.

Legally responsible person as signed in Item (7) below:

1. Owner/Operator (to whom all permit correspondence will be mailed):

All outfalls **must** be listed and **at least one outfall is required**. Additional outfalls may be added in the section "**Additional Outfalls**" found on the last page of this NOI.

ther Facility Conditions (check all that appl	y and explain accordingly):									
☐ This facility has other NPDES permits.										
If checked, list the permit numbers for all current NPDES permits: This facility has Non-Discharge permits (e.g. recycle permit). If checked, list the permit numbers for all current Non-Discharge permits:										
					☐ This facility uses best management practices or structural stormwater control measures.					
					f checked, briefly describe the practices/measures and show on site diagram:					
☐ This facility has a Stormwater Pollution Preventio										
f checked, please list the date the SWPPP was imple	mented:									
\Box This facility stores hazardous waste in the 100-yea	ar floodplain.									
f checked, describe how the area is protected from	flooding:									
\Box This facility is a (mark all that apply)										
\square Hazardous Waste Generation Facility										
☐ Hazardous Waste Treatment Facility										
☐ Hazardous Waste Storage Facility										
☐ Hazardous Waste Disposal Facility										
	If checked, indicate:									
(ilograms of waste generated each month:	Type(s) of waste:									
low material is stored:	Where material is stored:									
lumber of waste shipments per year:	Name of transport/disposal vendor:									
ransport/disposal vendor EPA ID:	Vendor address:									
☐ This facility is located on a Brownfield or Superfur	l nd site									
f checked, briefly describe the site conditions										
equired Items (Application will be returned unles	ss all of the following items have been included):									
☐ Check for \$120 made payable to NCDEQ										
☐ Copy of most recent Annual Report to the NC Secretary of State										
\Box This completed application and any supporting documentation										
A site diagram showing, at a minimum, existing and proposed:										
a) outline of drainage areas										
surface waters										
stormwater management structures										
	, g									
•										
areas where industrial process materials are stored										
g) impervious areas										
h) site property lines										
\square Copy of county map or USGS quad sheet with the	location of the facility clearly marked
