SKIP the BIN!

TURN YOUR BATTERIES IN!

NEVER place rechargeable batteries in recycling or trash carts.

Rechargeable batteries cause fires in sanitation trucks, recycling facilities, and landfills.

Lithium-ion batteries power many of the rechargeable devices we use every day.

SKIP the BIN!

TURN YOUR BATTERIES IN!

Rechargeable batteries must be properly handled through a drop-off program.

Find a retail drop-off location near you.

Scan the QR code or visit: batterynetwork.org/locator

Or, bring your old rechargeable batteries to <insert local HHW Site and/or convenience center information>.
