Solid Waste and Materials Management Annual Report July 1, 2020 - June 30, 2021

Submit this form to Lgteam@ncdenr.gov by September 1, 2021.

On the following pages, you will find the Local Government Solid Waste and Materials Management Annual Report Form for Fiscal Year 2020-2021. Each North Carolina county and municipality is required to complete this report annually. Completion and submission of this report will fulfill the annual reporting mandate to the state as required by G.S. 130A-309.09A. Failure to complete and submit this report could result in the local government being excluded from distributions of Solid Waste Disposal Tax Proceeds and other Department of Environmental Quality grants.

Instructions

This form must be completed electronically using Adobe Reader. It is suggested that you complete the form using the latest version of Adobe Reader which can be downloaded for free at: https://get.adobe.com/reader/. Please DO NOT complete this form using Adobe Acrobat Pro.

Complete the form by entering responses in the appropriate fields using Adobe Reader. Please save a copy of the completed form to your computer for your records by using the "Save As" option. Name the file Community Name LGAR 2020-21. For example, Aberdeen LGAR 2020-21.

You can find your reports from previous years at: https://deq.nc.gov/conservation/recycling/local-government-recycling-assistance/LGAR

After completing and saving the report, please email the report to Lgteam@ncdenr.gov

If you need assistance completing or submitting this form, please feel free to contact one of the following Division of Environmental Assistance and Customer Service staff members:

Tara Nattress, phone: 919-707-8123, email: <u>tara.nattress@ncdenr.gov</u> Carol Abken, phone: 919-707-8138, email: <u>carol.abken@ncdenr.gov</u>

If you answer "No" to question 5, the report is complete, please email to Lgteam@ncdenr.gov.

	Part I. Waste Reduction and Recycling Programs Serving Government Facilities						
6.	Did your local government have a recycling program in place for collecting recyclable materials generated at public buildings in FY 20-21? Yes No						
7.	Did your local government have any program or policy encouraging or requiring local agencies to purchase products with recycled content in FY 20-21? Yes No						
8.	Did your local government have a program in place to collect and recycle spent fluorescent lights generated from the public buildings and facilities that were operated by your government in FY 20-21? Yes No						
	Part II. Waste Reduction and Recycling Programs Serving the Public						
SO	URCE REDUCTION / REUSE						
9.	Did your local government have a backyard composting program?						
10.	If yes, please check all backyard composting activities that apply:						
	☐ Education ☐ Demonstration site(s) ☐ Bin distribution/sales Number of Bins distributed?						
11.	Did your local government operate a program to promote source reduction efforts? Yes No If yes, please check all source reduction programs that apply: Junk Mail Reduction Single Use Plastics Reduction Food Waste Reduction						
12.	Did your local government offer a waste exchange or reuse program? Yes No						
13.	If yes, please check all waste exchange and/or reuse programs that apply:						
	☐ Swap shop/shed Number of sheds in use? ☐ Paint exchange Number of gallons recovered?						
	Other (e.g. pallet exchange, etc.)						
PU	BLIC RECYCLING SERVICES						
14.	Which of the following responses best describes your recyclables recovery activities for the period July 1, 2020 through June 30, 2021? Choose ONE option that best applies.						
	My local government DID operate or contract for a recyclables recovery program. (please continue to question 15)						
	My local government DID NOT operate or contract for recyclables recovery BUT DID partner with another local government to operate or contract a recyclables recovery program. (Please identify the local government responsible for its operation and briefly explain the partnership; then go to Part IV on page 7 .)						
	With which local government did you partner and what is the arrangement?						
	☐ My local government DID NOT operate , contract or participate in a recycling program. (Go to Part IV on page 7 .)						
CU	RBSIDE RECYCLING PROGRAM						
15.	Did your government operate a Curbside Recycling Program? Yes No, skip to question # 25						
16.	Who collected the recyclable materials for your local government's curbside recycling program?						
	Local government employees						
	Private contractor (please specify)						
	Franchised hauler (please specify)						
	Other (please specify)						

1/.	a. Total number of households in your jurisdiction?							
	b. Number of households eligible to participate in the curbside recycling program:							
10	c. Provide the number of households that participate in the curbside recycling program (estimate if necessary):							
18.	If your curbside recycling program is operated by a franchised hauler then please answer the following: Is public participation in the franchise:							
19.	What sector(s) of your community was served by the curbside recycling program? Residential Commercial Industrial							
20.	If you checked commercial or industrial in question 19, please indicate the number of accounts served:							
21.	How frequently were the curbside recyclables collected? Once a week Other Every other week / biweekly							
22.	Please describe the collection containers used:							
	□ Bins □ Blue bags □ Multi-bin system □ Roll-out carts							
23.	Please describe the method of recycling collection: curb-sort (collector separates material as collected) single stream / commingled dual / two stream don't know / other							
24.	Do residents sign up for curbside recycling service or are they automatically included? Sign up Automatically included							
DR	OP-OFF RECYCLING PROGRAM							
25.	Did your government operate a Drop-off Recycling Program? Yes No, skip to question # 32							
26.	Who collected the recyclable materials for your local government's drop-off recycling program? Local government employees Private contractor							
	Other (please specify)							
27.	Please describe the method / style of recyclable materials handling for your drop-off recycling program: X source-separated (citizens separate materials by type) X single stream / commingled dual / two stream (paper separated from cans/bottles) don't know / other							
28.	Please estimate the number of households served by your drop-off recycling program. 105,000							
29.	What sector(s) of your community are served by the drop-off recycling program? Residential Commercial Industrial							
30.	How many drop-off locations did you provide for the citizens in your jurisdiction? Number of Sites: 16							
31.	How many of these locations were staffed with attendants? 🛛 All 🔲 None 🔲 Some please list # of staffed sites:							
EL	ECTRONICS RECYCLING PROGRAM							
32.	Did your community operate an electronics recycling program in FY 20-21? X Yes No, skip to question # 38							
	If you did operate an electronics recycling program, please indicate style of program:							
	☐ Permanent - Curbside Collection ☐ Permanent - Drop-off ☐ Scheduled Collection Day or Event ☐ Part of HHW Program							
	If you offer curbside collection of electronics is it: by appointment or unscheduled							
	If you operate a drop-off electronics program, how many collection sites do you provide? Number of Sites: 16							

33.	. Did your electronics recycling program collect or accept televisions from (check all that apply): X Residences							
34.	. Did your electronics recycling program collect or accept computer equipment from (check all that apply): 🛛 Residences 🖺 Businesses							
35.	Annually, DEQ distributes funds to eligible units of local government. If your unit of local government received a distribution from the							
	Electronics Management Fund in February 2021, please provide the following information:							
	Electronics Management Fund balance as of July 1, 2020: \$ 0.00							
	Electronics Management Funds received from DEQ during FY 20-21 (Feb 2021 distribution): \$ 19,262.77							
	Electronics Management Funds spent during FY 20-21: \$ 69,860.40							
	Electronics Management Fund balance as of June 30, 2021: \$ 0.00							
	Total spent on electronics recycling program FY 20-21 (Electronics Management Funds plus additional funds): \$69,860.40							
36.	Explain how Electronics Management Funds were used during FY 20-21 (list items purchased if applicable):							
	to pay vendor for recycling electronics							
37	Name of electronics recycler(s) used during FY 20-21: Synergy							
	Does the electronics recycler(s) used have either the e-Steward or R2 certification?							
OT	HER PUBLIC RECYCLING PROGRAMS							
	only programs operated or contracted for by the local government. The tonnage of any materials collected by the following programs							
shou	uld be listed in the "Other" column in the Recycling Tonnages Chart on pg 5.							
38.	Did your local government operate a multifamily recycling collection program that provides on-property recycling service for residents							
	of multifamily properties in a manner other than through your curbside or drop-off recycling programs? Yes							
39.	Did your local government operate a recycling program to serve commercial or institutional members of your community in a manner							
	other than through your curbside or drop-off recycling programs? \[\sum \text{Yes} \] No							
40.	Does your local government provide recycling services to Alcoholic Beverage Commission permit holders? Yes No							
	On-site collection services provided If on-site collection provided, please estimate # of ABC accounts served:							
4.1	Public drop-off recycling sites available for ABC On Premises Permit holders to use							
41.	Does your local government operate a program to recycle Construction and Demolition materials? Yes No If yes, please check all materials that were recycled and report tonnages in tonnage table on page 5:							
	☐ Clean Wood ☐ Brick, concrete, etc. ☐ Sheetrock ☐ Vinyl siding ☐ Shingles ☐ Metals ☐ Other							
12.	Please identify all Away From Home / Recycling On The Go programs or services operated by your government during FY 20-21. (check all that apply and if possible indicate tonnages on page 5 in "Other" column)							
	Public Parks Recycling Program Athletic Field /Venue Recycling Program							
12								
13.	Please identify all "Other" programs or services operated by your government during FY 20-21. (check all that apply and if possible indicate tonnages on page 5 in "Other" column)							
	Public School Recycling Program							
	Scheduled Collection Drives (e.g. confidential document shredding event held quarterly, once a year, etc.)							
	☐ Lend-a-Bin Program where local government provides recycling containers to community organizations for use at events							
	Organics / Food Waste Recycling other than yard waste program							
	If yes, what type? Drop-off Curbside Pilot Other:							
	Oyster Shell Recycling Program							
	Other Programs (please specify)							
	Programs to manage Special Wastes are addressed in Part III on page 6, please do not include Special Waste programs above							

RECYCLING TONNAGES FROM PUBLIC PROGRAMS

- 44. a. Enter data in the table below for ALL recycling programs operated or contracted for by your local government. Provide TONNAGES (or estimates) for each material collected for the period JULY 1, 2020 through JUNE 30, 2021.
 - b. Do NOT report yard waste, tires, HHW, used oil, batteries or other special wastes on this page these are covered later in the report.
 - c. If you collected single stream or other commingled materials, record tons in the "Commingled tons" row and then X the boxes beside each material type above for all items included.
