If yes, indicate if the plan is a stand-alone plan or in conjunction with local government agencies: X Stand-alone ☐ In conjunction If you indicated having a plan, has the plan been reviewed by N.C. Emergency Management or FEMA to ensure it meets the basic requirements for public assistance reimbursement in a declared disaster event? Please list the name, contact numbers(s), and e-mail address of the person(s) in charge of the disaster debris management program for your local government: Name: Roy Baldwin Name: John Roberson Phone: 919-856-6365 Phone: 919-856-5695 Phone: E-mail: john.roberson@wakegov.com E-mail: roy.baldwin@wakegov.com E-mail: Please list the temporary disaster debris staging sites in your county or municipality which have been reviewed for conflicts with the Natural Heritage Program (NHP) and the State Historic Preservation Office (SHPO) through coordination with the Solid Waste Section. Please note that the vetting of a site prior to a disaster is advantageous to local governments because a staging site which is found to have impacted federal or state resources after a disaster may cause difficulty for local governments when attempting to obtain FEMA reimbursement.
