North Carolina Division of Water Infrastructure

Project Applicant: Town of Lucama
Date: February 25, 2021
Project Number: CS370602-01
Estimated Project Cost: \$1,496,850
Estimated Funding Amount: \$1,467,500

Project Description: The proposed project will make the following improvements to the Town's sewer collection system: replacement of approximately 6,500 lf of 8-inch gravity sewer and 14 manholes; rehabilitation of approximately 5,900 lf of 8-inch gravity sewer and 19 manholes; rehabilitation of Pump Station No.3 to include conversion from above-ground to submersible pump station, structural repairs, and replacement of electrical and controls; point repairs; removal and replacement of pavement, roadways, driveways and curbs, and sedimentation and erosion control devices.

The above named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Anita Robertson

Anita E. Robertson, PE, Supervisor
Wastewater Projects Unit
