8510 Highway 90 West
Stony Point, NC 28678
Alexander County
Application ID: 0200037.23A, Permit No.: 04648T13

This facility applied for an Air Quality Title V Operation Permit which meets the requirements specified in 15A North Carolina Administrative Code 2Q.0500.

Persons wishing to submit written comments or request a public hearing regarding the Air Quality Title V Operation Permit are invited to do so. Requests for a public hearing must be in writing and include a statement supporting the need for such a hearing, an indication of your interest in the facility, and a brief summary of the information intended to be offered at such hearing. The public comment period begins on October 24, 2023 and will run through November 23, 2023.

Written comments or requests for a public hearing should be postmarked no later than November 23, 2023 and addressed to Eric Crump, Division of Air Quality, 1641 Mail Service Center, Raleigh, North Carolina 27699-1641. Written comments may also be submitted during the public comment period via email at the following address:

daq.publiccomments@deq.nc.gov
Please type "Shurtape-StonyPoint.23A" in the subject line.

All comments received prior to this date will be considered in the final determinations regarding the Air Quality Permit. A public hearing may be held if the Director of the DAQ determines that significant public interest exists or that the public interest will be served.

Interested persons may obtain additional information, including copies of the permit, application, all other relevant supporting materials, and all other materials available to DAQ that are relevant to the permit decision by writing to the above address or calling Eric Crump at 919-707-8470.

Interested persons are encouraged to review these materials during normal business hours at either of the following locations:
