SUBJECT: Permit Annual and Application Fees for Calendar Year 2025 [Corrected]

Attached are the official tables for the new Division of Air Quality permit annual and application fees for calendar year 2025. Please forward this memorandum to anyone likely to need it. In 2024, pursuant to 15A NCAC 02Q .0204, the Department of Environmental Quality increased the Title V fees by the Consumer Price Index (3.17905%). This annual inflation adjustment will go into effect starting January 1, 2025 for the Title V permit application fees. The new Title V annual fees will first affect those facilities invoiced in February 2025 which have January anniversary dates.

More information regarding the Consumer Price Index and the 40 CFR Part 70 presumptive minimum fee can be found here: https://www.epa.gov/system/files/documents/2024-09/fee70_2025.pdf
