North Carolina Division of Water Infrastructure

Project Applicant: *City of Albemarle*
Date: *May 29, 2025*
Project Name: *Long Creek WTP Treatment Process Rehab*
Project Number: *CS370522-08*
Estimated Project Cost: *\$34,710,600*
Estimated Funding Amount: *\$34,030,000*

Project Description: *Installation of fine-bubble diffusers in two aeration basins, blowers, an electrical room, two clarifiers, a backup generator, two digesters, a sludge transfer pump station, and a sludge dewatering facility; modification of the influent pump station and clarifier splitter box; conversion of two aeration basins to equalization basins with floating brush aerators; replacement of disinfection system; electrical and SCADA upgrades; and associated piping and drainage, controls, and appurtenances.*

The above-named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Department of Environmental Quality, Division of Water Infrastructure (**Division**) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in the 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the Division, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed in writing to Ms. Stephanie Suter, Deputy Director, Division of Water Infrastructure, North Carolina Department of Environmental Quality, 1633 Mail Service Center, Raleigh, North Carolina 27699. Alternatively, she can be reached via telephone at 919.707.9044 or via e-mail at stephanie.suter@deq.nc.gov.

Sincerely,

Trupti Desai

Trupti Desai, P.E., Supervisor
Wastewater and Stormwater Projects Unit
