

PUBLIC NOTICE
PRELIMINARY DETERMINATION REGARDING APPROVAL OF
AN AIR PERMIT APPLICATION

The North Carolina Department of Environmental Quality, Division of Air Quality hereby gives notice that the following facility has applied for a permit to construct and operate a backup power generation facility at the following location.

Duke Energy Progress NN Clayton
638 GLP One Way
Clayton, NC 27527
Johnston County

This facility's application for the proposed facility was reviewed by the DAQ to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. This notice serves as a notice of opportunity for public comment on this proposal. The public comment period begins on July 18, 2025 and will run through August 18, 2025.

A copy of all data and the application submitted by Duke Energy Progress NN Clayton and other material used by the DAQ in making this preliminary determination are available for public inspection on the NCDEQ/DAQ website or during normal business hours at the following locations:

NC DEQ
Division of Air Quality
Air Permits Section
217 West Jones Street, Suite 4000
Raleigh, NC 27603

OR

Raleigh Regional Office
3800 Barrett Drive
Raleigh, NC 27609

Information on the permit application and the staff review are available by writing or calling.

Lissabeth Gardner
1641 Mail Service Center
NC Division of Air Quality
Raleigh, NC 27699-1641
919-707-8729

Interested persons are invited to review these materials and make comments to the address indicated above. Written comments may also be submitted during the public comment period via email at the following address: daq.publiccomments@deq.nc.gov. Please type "DukeClayton.24A" in the subject line. Comments must be postmarked no later than August 18, 2025. Alternatively, you may submit comments and requests via voicemail by calling 919-707-8714.

After weighing relevant comments received and other available information on the project, the DAQ will act on the Duke Energy Progress NN Clayton application.

Mark J. Cuilla, EIT, CPM
Chief, Permitting Section, NCDEQ
