PUBLIC HEARING FOR DRAFT RENEWAL PERMIT SEYMOUR JOHNSON AIR FORCE BASE

This is to notify the public of the issuance by the North Carolina Department of Environmental Quality Division of Waste Management's Hazardous Waste of a draft renewal permit for Seymour Johnson Air Force Base facility located at 1095 Peterson Avenue in Goldsboro, North Carolina.

A Public Hearing will be held September 22nd at 11:30 in Steele Memorial Library at 119 W Main St. in Mount Olive, North Carolina. All attendees will have the opportunity to present five (5) minute oral statements regarding the draft renewal permit and/or to submit written comments and data. Written comments can also be sent during the public comment period August 15th through September 29th 2026 to the following address:

Heather Standish, Hazardous Waste Section Chief
Division of Waste Management, NCDEQ
MSC 1646
Raleigh, NC 27699-1646

All data submitted by the applicant is part of the administrative record and available at <https://deq.nc.gov/about/divisions/waste-management/laserfiche>. Documents may be located by using the EPA ID# NC7570024474. The draft modified permit and fact sheet can also be found online at the following location: <https://deq.nc.gov/news/events/public-notice-hearings>.

A summary of the permit follows:

Seymour Johnson Air Force Base (SJAFB) has a RCRA Hazardous and Solid Waste Amendments (HSWA) Permit issued by the State of North Carolina. This permit requires the facility to conduct soil and groundwater investigation and remediation activities that are a result of past releases of wastes or waste constituents from Solid Waste Management Units (SWMU) and Areas of Concern (AOC) at the base. Remedies for corrective action at the SWMUs and AOCs have been selected and are completed or in operation at all SWMUs and AOCs. Remedies include Long Term Groundwater Monitoring in addition to various active remedies.

All comments received during the public comment period or at the hearing will be considered in the decision regarding this renewal permit. Comments received after the public comment period ends will not be considered. The statutory authority for calling the permit hearing is G.S. 130A-294(f)-. Applicable State rules are found in the North Carolina Hazardous Waste Management Rules 15A NCAC 13A .0105, .0109, and .0113. These rules adopt the requirements of the Federal Resource Conservation and Recovery Act as amended by the Hazardous and Solid Waste Amendments of 1984.
