

PUBLIC NOTICE
N. C. Department of Environmental Quality, Division of Waste Management
Hazardous Waste Section
PUBLIC HEARING FOR DRAFT RENEWAL PERMIT
SAFETY-KLEEN SYSTEMS, INC
SAINT PAULS, NORTH CAROLINA

This is to notify the public of the issuance by the North Carolina Division of Waste Management's Hazardous Waste Section of a draft renewal permit for Safety-Kleen Systems, Inc. located at 934 North Fifth Street in Saint Pauls, North Carolina.

A public hearing will be held on Monday, August 25, 2025 at 12:00 pm at the R.E. Hooks Community Building located at 111 North 3rd Street in Saint Pauls, North Carolina. All attendees will have the opportunity to present five (5) minute oral statements regarding the draft renewal permit and/or to submit written comments and data. Written comments can also be sent during the public comment period of July 15, 2025 – August 29, 2025 to the following address:

Heather Standish, Hazardous Waste Section Chief
Division of Waste Management, NCDEQ
MSC 1646
Raleigh, NC 27699-1646

All data submitted by the applicant is part of the administrative record and available at <https://deq.nc.gov/about/divisions/waste-management/laserfiche>. Documents may be located by using the ID# NCD980846935. The draft modified permit and fact sheet can also be found online at: <https://deq.nc.gov/public-notices-hearings>

A summary of the renewal permit follows: Safety-Kleen is a commercial hazardous waste facility engaged in the collection, replacement, accumulation, and storage of used parts washer solvent, spent immersion cleaner, paint wastes and spent lacquer thinner, and spent dry-cleaning materials generated by industrial maintenance, automotive repair, and dry-cleaning businesses. Waste materials are stored in appropriate containers and an aboveground storage tank before being transported to one of Safety-Kleen's recycling centers.

All comments received during the public comment period or at the hearing will be considered in the decision regarding this renewal permit. Comments received after the public comment period ends will not be considered. The statutory authority for calling the permit hearing is G.S. 130A-294(f). Applicable State rules are found in the North Carolina Hazardous Waste Management Rules 15A NCAC 13A .0105, .0109, and .0113. These rules adopt the requirements of the Federal Resource Conservation and Recovery Act as amended by the Hazardous and Solid Waste Amendments of 1984.
