## **Categorical Exclusion**

## North Carolina Division of Water Infrastructure

Project Applicant:	Town of Southern Pines
Date:	April 7, 2022
Project Name:	Warrior Woods Pump Station Relocation
Project Number:	CS370893-01
Estimated Project Cost:	\$3,057,960
Estimated Funding Amount:	\$2,998,000

Project Description: The proposed project will include relocation of the Warrior Wood Pump Station outside of the floodplain and like-for-like replacement of the existing three (3) 925 GPM pumps and installation of associated gravity sewer and force main, wet well, valve vault, stand-by generator, odor control system, and electrical and control systems.

The above-named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in the State Environmental Review Procedures (SERP) for the State Revolving Fund programs; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<u>https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents</u>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Mr. Jon Risgaard, Section Chief, State Revolving Fund Section, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or he can be reached by phone at (919) 707-9175.

Sincerely,

Ken Pahlig

Ken Pohlig, PE, Supervisor Wastewater Projects Unit Division of Water Infrastructure
