

CART PLACEMENT TIPS

1 Place carts at your curb the night before, or no later than 5 a.m. on your scheduled pickup day.

2 Leave at least three feet of space between carts and cars, mailboxes, fire hydrants, trees, and other objects so the truck's "arm" can pick up the cart.

3 Face the opening of the cart toward the street.

Keep away from overhanging tree branches and other objects.

3 FEET

GIVE ME SPACE!

Keep cart lids shut and no recyclables in undesignated containers or to the side.

CARTS THAT DON'T FOLLOW THE RULES ABOVE WILL NOT BE SERVICED.
