

If you have a North Carolina Government email address go to NC Integrated HR- Payroll System (formerly called Beacon) at: <https://portal.osc.nc.gov/app> Click on **Sign in to proceed.**

Sign into the Integrated HR-Payroll System by entering your State Employee Username. Typically, your State Employee User Name is your Microsoft Login user name and/or your state agency email address. Ex) NCID username@nc.gov. (It is the same one you use to login to your timesheet)

Once you have entered your username, you will advance to the next screen where you enter your password. Your password is the same one you use to login to your State Employee email account.

If you choose Call, you will receive a phone call on your designated phone. You just answer the call and follow the instructions given.

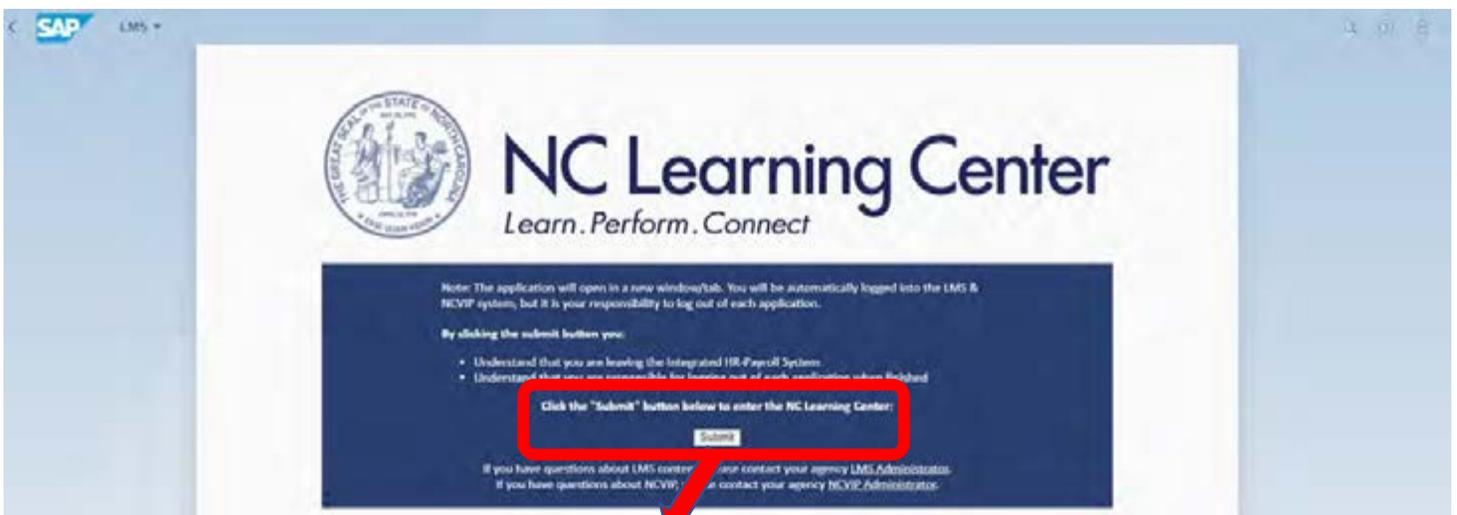

Once you have logged into SAP, click on the LMS & NCVIP button at the top left of the screen.

The next screen will take you to the LMS & NCVIP button. Click on this button to advance.

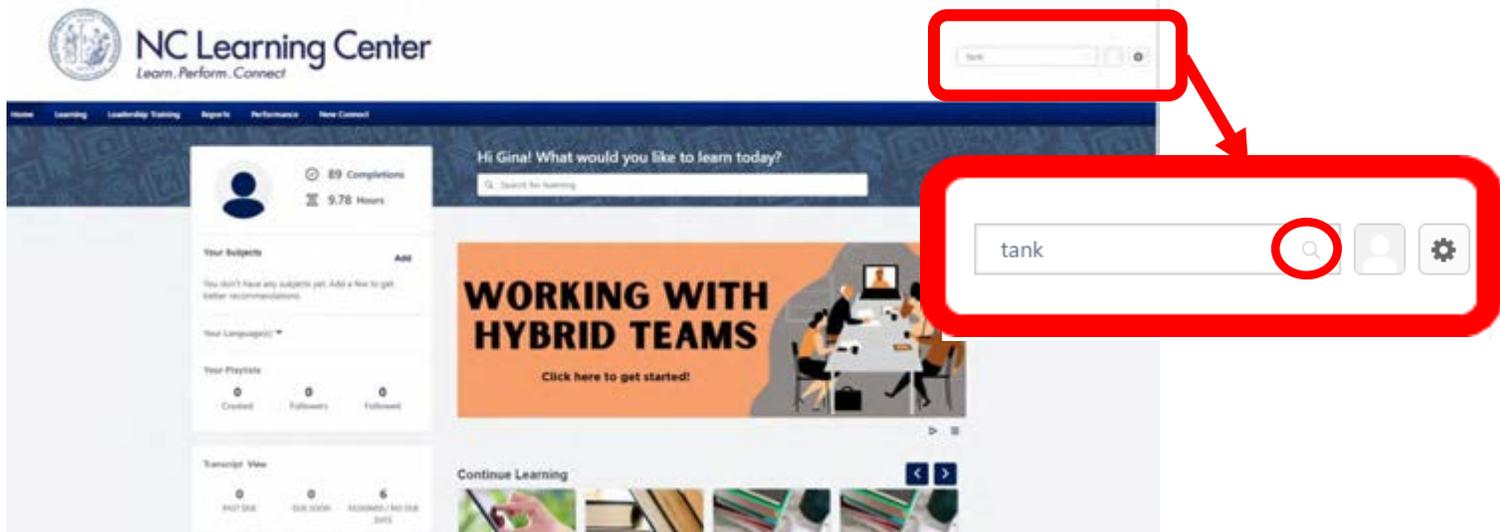

On the next screen, click Submit to automatically log into the NC Learning Center using your Microsoft Login credentials.

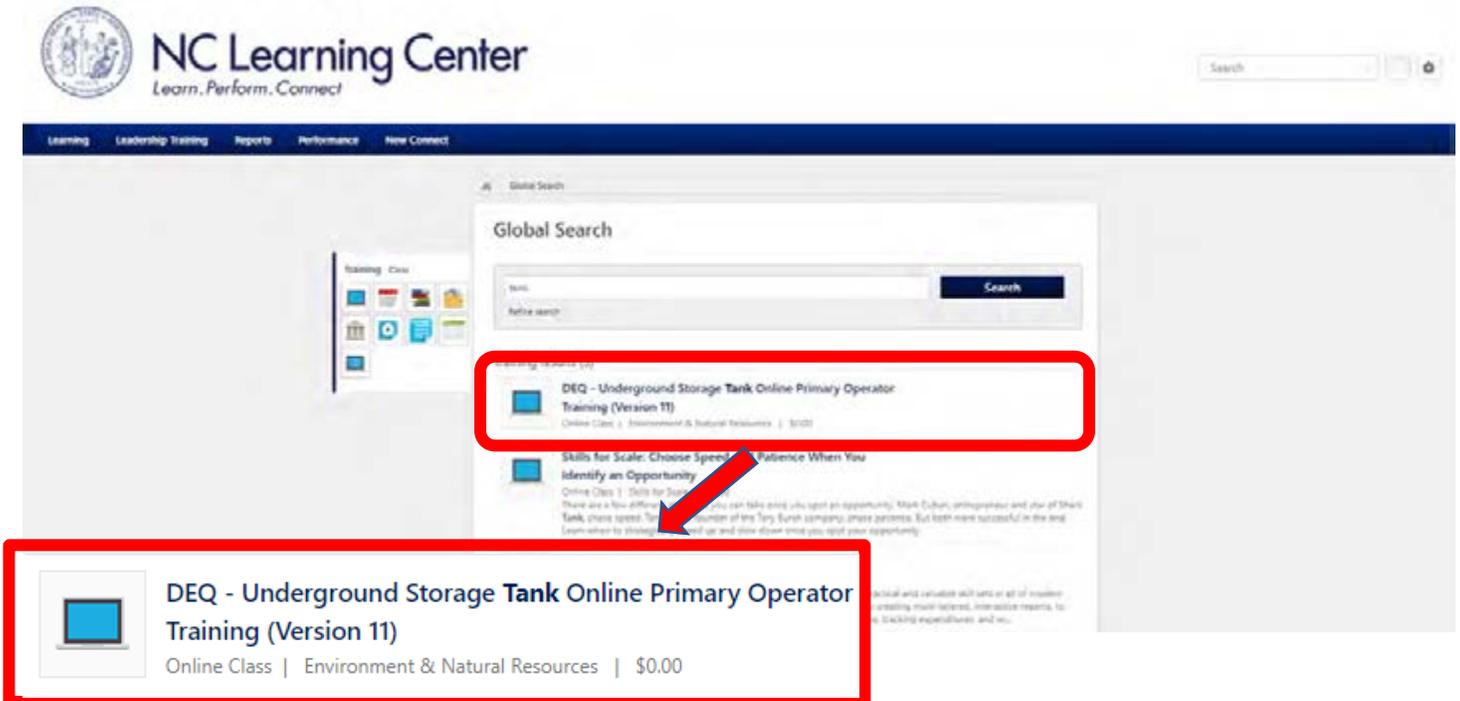

Click the "Submit" button below to enter the NC Learning Center:

Submit

This will take you to the NC Learning Center. On this screen, you will search for the “DEQ – Underground Storage Tank Online Primary Operator Training (Version 11)”. Either type the word “**tank**” in the Search tab at the top right of the screen or copy and paste “**DEQ – Underground Storage Tank Online Primary Operator Training**” in the same search box. Search by clicking on the magnifying glass.

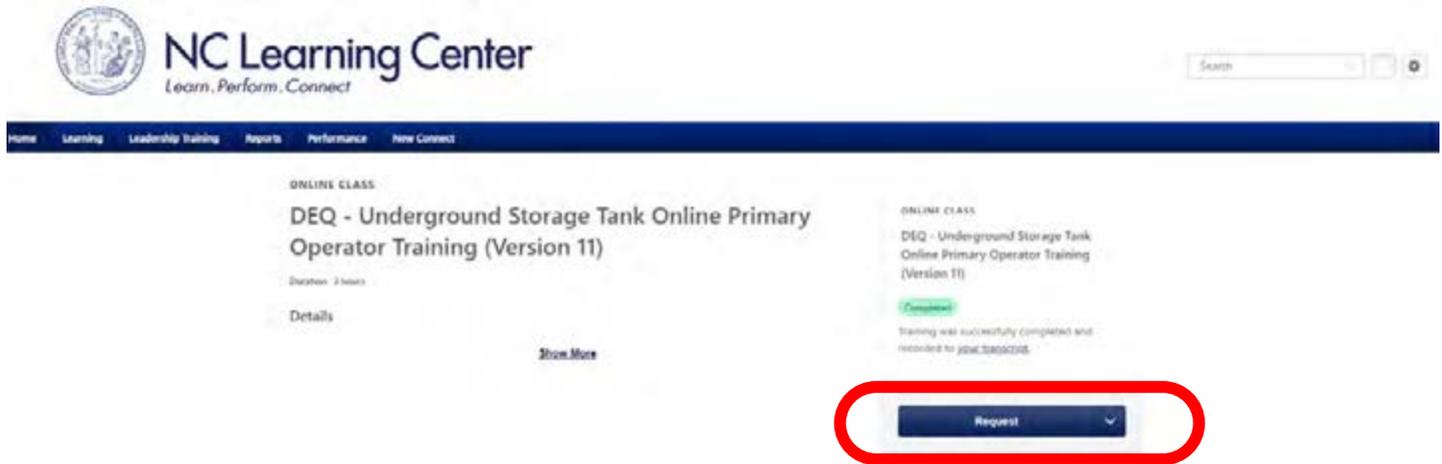

Your next screen will show the search results. The “DEQ – Underground Storage Tank Online Primary Operator Training (Version 11)” will appear. To advance, select the training by clicking on it.

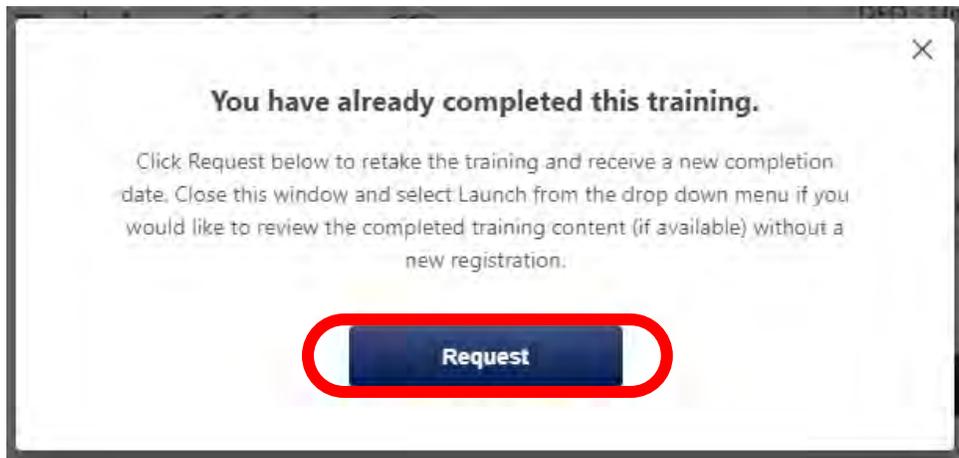

On this screen, click on the “Request” button.

NOTE: If you have completed online PO Training in the past, click on Request in the **center** of the word “Request”. If you completed Primary Operator Training online before, there are additional instructions on how to update facility information. Go to the following website to get a copy of those instructions: <https://www.deq.nc.gov/waste-management/dwm/ust/tank-school/registration-process-po-retraining/open>.

If you have already completed the training, you will see this pop-up. Select Request again to advance to the training.

On this screen, fill in additional contact information in each box. Please make SURE to list the facility names and ID numbers for ALL facilities you need credit for Primary Operator Training, then click “Submit.” If you need to complete PO Training for multiple facilities, you are welcome to email me a list, just make sure to at least enter one facility ID #.

DENR - Underground Storage Operator Training

**Important: This course works best using Internet Explorer browser. Also, please ensure all pop up blockers are disabled in your browser: On Internet Explorer: 1. Launch IE - > Go to Tools -> Internet options 2. Go to the 'Privacy' Tab 3. Search for a checkbox "Turn on Pop-up Blocker" 4. If you check it - the pop-up blocker gets enabled on your browser and pop-ups are blocked. 5. If you Uncheck it - the pop-up blocker gets disabled on your browser and pop-ups are allowed. Attention Primary Operator: You MUST enter the following information or your online training session will not be properly recorded! Do NOT proceed to the online training course until AFTER you have completed ALL of the following fields below. At the end of the training, you can access the completed tab of your transcript and next to the training select "Print Certificate".*

DENR - Underground Storage Operator Training Details

Business Address:

Business Telephone:

Facility Name (list all if training for more than one facility):

Facility ID # (number found on the permit under the expiration date) (list all if training for more than one facility):

NOTE: If you are completing training to become a Primary Operator for a facility or re-training to satisfy an NOV, please be sure to include your Facility ID #. The Facility ID is located on the facility’s operating permit. You are welcome to email me at gina.williams@deq.nc.gov or call (910) 489-3604 and I will be glad to assist you with your facility information. If you are completing the Primary Operator Class for training purposes only, please enter “Training” in the place of the facility named and facility ID #.

On the next screen, click “Register.” Then click “Launch.”

The screenshot shows the NC Learning Center website. The header includes the NC Learning Center logo and the tagline "Learn. Perform. Connect." Below the header is a navigation bar with links for Home, Learning, Leadership Training, Reports, Performance, and News Connect. The main content area displays two course cards for "DEQ - Underground Storage Tank Online Primary Operator Training (Version 11)". The left card shows the course title, duration (3 hours), and a "Details" link. The right card shows the course title, a "Register" button, and a message: "Training has been successfully registered to your tabcard." Below the right card is a "Launch" button with a dropdown arrow, which is highlighted by a red arrow.

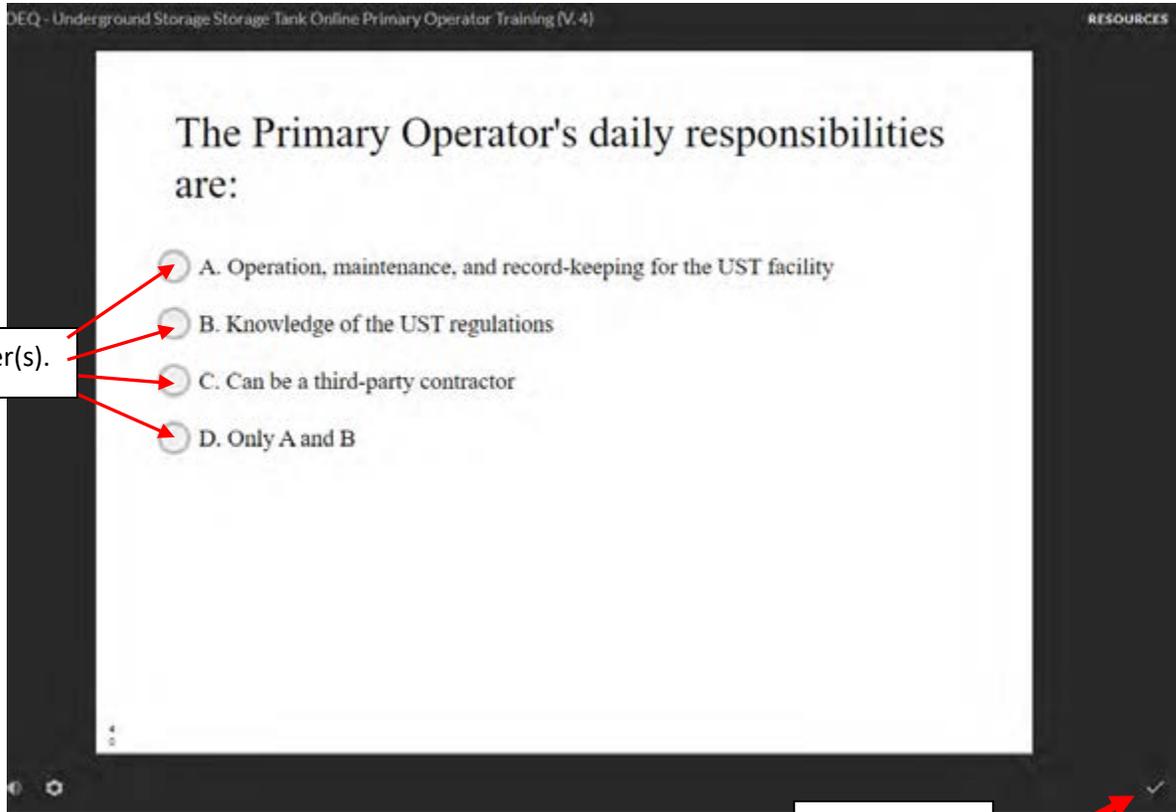

A separate window should appear with the training slides like the one pictured below. Give the screen at least 30 seconds to load. If the training does not load, try clicking “launch” again. If the training will still not load, you may need to DISABLE the pop-up blocker. Below is the first screen of the training module.

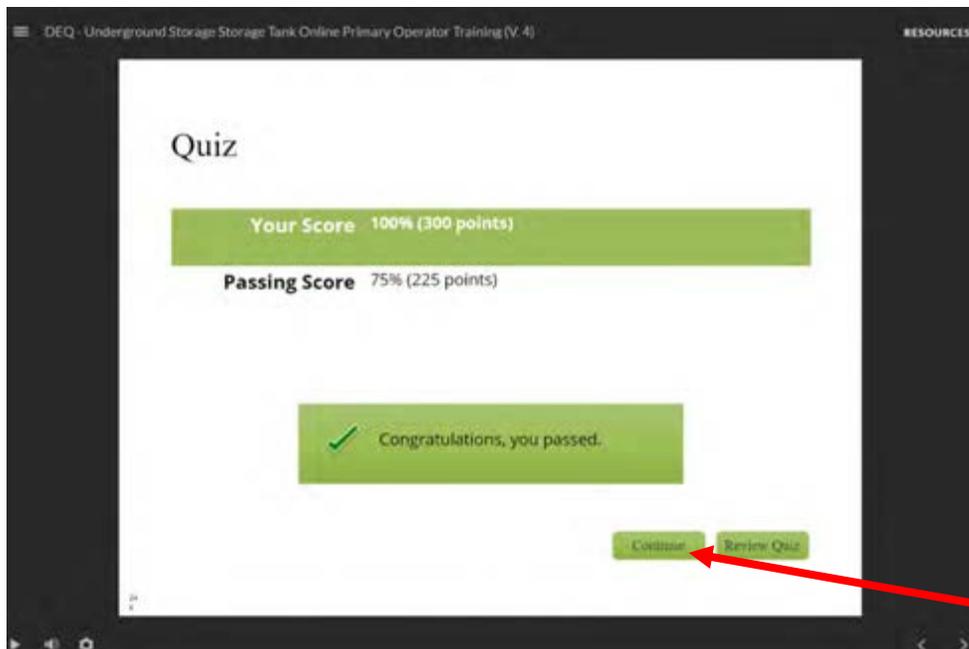

Click on <> to go back or advance the slides.

When that window appears, you will see a play button in the bottom left corner of the screen. The slides do not have audio content. You can use the arrow buttons to the right of the play button to move forward or backward in the slides. Click on the arrow at the bottom right to advance the slides.

You will have quiz questions as you complete each section of training. Select your answer(s) and click on the ✓ at the bottom right of the screen to check your answer.

Upon completing the training, you will see your score and results:

Next, close this window and you should return to the NC Learning Center page. Click on the dropdown menu on the right of the screen. To view your Primary Operator Training Certificate, select View Certificate. Another pop-up screen should appear with your certificate.

Click on the X to close the screen.

Now you will be back at the NC Learning Center where you can view, print, or save your Primary Operator Certificate. Click on the drop-down arrow next to request.

The screenshot shows the NC Learning Center website interface. At the top left is the logo and the text "NC Learning Center Learn. Perform. Connect". A navigation bar contains links for Home, Learning, Leadership Training, Reports, Performance, and How Connect. The main content area displays an "ONLINE CLASS" titled "DEQ - Underground Storage Tank Online Primary Operator Training (Version 11)" with a duration of 1 hour. A "Request" button is highlighted with a red circle. A red arrow points from this button to a larger "Request" dropdown menu that is also highlighted with a red circle. This dropdown menu includes options: "View Certificate", "Launch", "Evaluate", and "View Training Details". A text box on the left with the text "Select View Certificate." has a red arrow pointing to the "View Certificate" option in the dropdown menu.

When you click on View Certificate, a pop-up window will appear with your certificate. Your certificate should look like the one below with you name in the center:

You may print your certificate by clicking on the image of the printer at the top right of the pop-up screen. You can also save your certificate by clicking on the image of the disk.

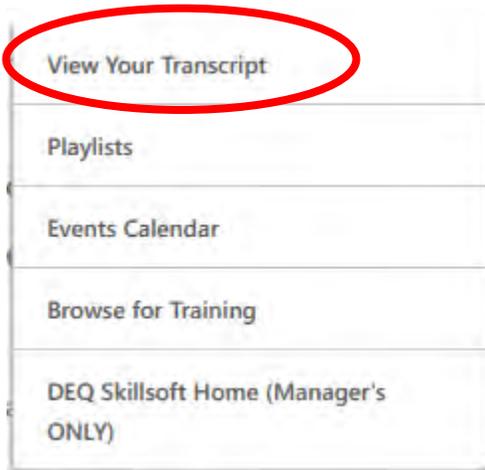

You also have the option to return at a later date and log into LMS to view, print and save your most recent Primary Operator Training certificate. Log back into the NC Learning Center and click on “Learning” at the top left of the Screen. Then go to “View Your Transcript”.

NC Learning Center

Learn. Perform. Connect

Next click on the drop-down menu under the Filter by Training Status labeled “Active”. Select “Completed.”

The screenshot shows a training dashboard with the following elements:

- Summary: 12.78 HRS AGGREGATE TRAINING COMPLETED, FISCAL YEAR ENDING 6/30/2023, COST \$0.00.
- Filters: Filter by Training Status (Active), Sort by (Date Added), Filter by Training Type (All Types).
- Search: Search by Keyword (Search).
- Results: A list of training items. The first item is "DEQ Safety & Security: Active Shooter Training" with a status of "In Progress" and a type of "Curriculum". A red circle highlights the "Completed" option in the "Filter by Training Status" dropdown menu.
- Buttons: "Open Curriculum" and "Launch" buttons are visible next to the training items.

On the next screen you should see the DEQ-Underground Storage Tank Online Primary Operator Training (Version 11). Click on the drop-down arrow next to View Certificate.

The screenshot shows a training dashboard with the following elements:

- Summary: 12.78 HRS AGGREGATE TRAINING COMPLETED, FISCAL YEAR ENDING 6/30/2023, COST \$0.00.
- Filters: Filter by Training Status (Completed), Sort by (Completion Date), Filter by Training Type (All Types).
- Search: Search by Keyword (Search).
- Results: A list of training items. The first item is "DEQ - Underground Storage Tank Online Primary Operator Training (Version 11)" with a status of "Completed" and a type of "Online Class". A red arrow points to the "View Certificate" button in the dropdown menu.
- Buttons: "View Certificate" button is visible next to the training item.

By clicking on View Certificate in the drop-down menu, you will be able to view, print, or save your certificate by following the same steps covered in the previous steps.

The screenshot shows a training dashboard with the following elements:

- Summary: 12.78 HRS AGGREGATE TRAINING COMPLETED, FISCAL YEAR ENDING 6/30/2023, COST \$0.00.
- Filters: Filter by Training Status (Completed), Sort by (Completion Date), Filter by Training Type (All Types).
