Animal Waste NPDES Permits

What Activities Require This Permit? Certificate of coverage (COC) under National Pollution Discharge Elimination System (NPDES) general permits and individual permits is optional for the construction and operation of an animal waste management system for facilities with 2,500 or more swine (greater than 55 lbs. in weight) or 10,000 or more swine (less than 55 lbs in weight); 1,000 confined beef or 700 mature dairy; 30,000 or more poultry layers with a liquid waste management system, 125,000 non-laying poultry with a dry litter waste management system, and 55,000 turkeys with wet or dry waste management system.

Animal operations that exceed the above thresholds are given the option of an NPDES Permit or a State Permit. General Permits and Individual Permits are available options under both the NPDES and State permitting programs.

What Is The Purpose of This Permit? To protect waters of the state through compliance with state and federal water quality laws regarding direct discharges of wastewater.

Who Issues This Permit? N.C. Division of Water Resources, Animal Feeding Operations Branch.

How Much Will This Permit Cost?

Annual fee for small operations with a design capacity of 38,500 or more and less than 100,000 pounds steady state live weight, \$71.

Annual fee for medium operations with a design capacity of 100,000 or more and less than 800,000 pounds steady state live weight, \$213.

Annual fee for large operations with a design capacity of 800,000 pounds or more steady state live weight, \$427.

What Are My Payment Options for Permit Application Fees?

Payments can be made either by check/money order OR by electronic payment (Credit/Debit Card and eCheck).

To pay electronically, visit: <https://epay.deq.nc.gov/wq-epayments.html>

If Paying by Check, Who do I Make the Check Payable to and Where Do I Send the Check?

If payment is by check/money order, please remit payment to:

NCDEQ - Division of Water Resources

Attn: Animal/Discharge/Non-Discharge Billing

1617 Mail Service Center, Raleigh, NC 27699-1617

Please Contact the Annual Fee Administering and Compliance Coordinator at 919-707-3698 or email dwqepay@deq.nc.gov.

Where Can I Get the Application For This Permit? <https://www.deq.nc.gov/about/divisions/water-resources/water-quality-permitting/animal-feeding-operations/permits-applications-and-reporting/permit-applications>

How Long Will It Take to Review My Application? Within 90 days from the receipt of a complete application package.

Where Do I Submit My Application? N.C. Division of Water Resources, Animal Feeding Operations Branch, 1636 Mail Service Center, Raleigh NC 27699-1636. **Electronic submission is encouraged. Applications may be emailed to: Animal.Operations@deq.nc.gov**

How Long Is My Permit or License or Certificate Valid? Up to five years.

Notes/Comments: Only the animal feeding operations that have been designated as a CAFO are required to seek coverage under an Animal Waste NPDES Permit. Such designation is done in accordance with the Federal CAFO Rule-40 CFR § 122.23. Animal operations that exceed the threshold listed above are given the option of an NPDES Permit or a State Permit. Most other animal feeding operations with certain threshold animal numbers will require coverage under an Animal Waste State Permit.
