Project Applicant: *Town of Burnsville*
Date: *September 9, 2026*
Project Name: *Water Supply and Distribution Improvements*
Project Number: *SRF-D-HEL-0019*
Estimated Project Cost: *\$8,372,723*
Estimated Funding Amount: *\$8,208,552*

Project Description: *This project includes developing two new wells to improve water supply redundancy and reliability during extreme weather or emergencies. It also involves constructing a 300,000-gallon finished water storage tank and installing approximately 12,000 LF of 12-inch water line along US 19E and 1,500 LF of 8-inch water line along NC-80.*

The above-named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Department of Environmental Quality, Division of Water Infrastructure (**Division**) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in the 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the Division, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed in writing to Ms. Stephanie Suter, Deputy Director, Division of Water Infrastructure, North Carolina Department of Environmental Quality, 1633 Mail Service Center, Raleigh, North Carolina 27699. Alternatively, she can be reached via telephone at 919.707.9044 or via e-mail at stephanie.suter@deq.nc.gov.
