Dear Mr. Hunt:

The Division of Water Infrastructure (Division) has completed its review and determined that the above-referenced addendum is eligible for funding. Please note the approval of this addendum does not change the awarded funding amount for the subject project.

Only the subject project's plans and specifications (including all approved addenda) are approved for funding. Bidding with unapproved plans and specifications will delay the disbursement process and may make portions of the project ineligible for funding.

Submit any further addenda for the subject project's plans and specifications to the Division no less than seven (7) days before the bid opening via the new Online Supporting Documentation Submittal Form located at https://edocs.deq.nc.gov/Forms/DW-Document-Upload-Form. The link to the online submittal form and a list of frequently asked questions can also be accessed from the Division's "I Have Funding" page, https://www.deq.nc.gov/about/divisions/water-infrastructure/i-have-funding.

A link to download the approved addendum is provided below. If you have any questions regarding this matter, please contact Jim Morrison, P.E., at 919.707.9157 or jim.morrison@deq.nc.gov.
