**Subject: First Quarter 2019 SOC Monitoring Results  
Special Order by Consent EMC SOC WQ S18-006  
Duke Energy Progress, LLC  
H.F. Lee Energy Complex  
Goldsboro, North Carolina**

Dear Ms. Culpepper,

In accordance with the paragraph 2. c. 4) of the NC Environmental Management Commission Special Order by Consent, EMC SOC WQ S18-006, Duke Energy Progress, LLC is hereby submitting the results of monitoring for the **First Quarter of 2019**.

Due to the high river level which backed water up into these areas, samples were not collected from the non-constructed seep S-03A and the Downstream Half Mile Branch monitoring points, as they would not be representative samples of the seep discharge.

If you have any questions or require further information, please contact Mr. Steve Cahoon at 919-546-7457.

*"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."*

Respectfully submitted,
