RE: Jordan Lake Water Supply Storage Allocation

Dear Mr. Fransen:

In response to your request for Letters of Interest from any unit of local government interested in receiving a Jordan Lake water supply storage allocation, I am sending this letter on behalf of the Town of Holly Springs. I was uncertain as to the need to send this letter as our request is actually to retain our allocation – not to ask for a new one. I hope this is the information that you need from our community at this time. Please advise should you need additional information. Thank you.

Sincerely,

Stephanie L. Sudano, PE
Director of Engineering
