Addendum

Russell, Periann 2008**. Mapping Headwater Streams:Intermittent and Perennial Headwater Stream Model Development and Spatial Application.** Final Report for Federal Highway Administration Contract Feasibility Study WBS: 36486.4.2. January 28, 2008**.**

June 2008

Correction of Stream Length Accuracy Results

Correction to table 6, Model Accuracy: Stream Lengths
Page 21, Corrected logit model accuracy of 1st order streams, changed 55 to 58, 2nd order changed 94 to 96, overall changed 81 to 83.

Table 6: Model Accuracy: Stream Lengths

	Field-Mapped Streams (m)	Logit Model Streams (m)	Logit Model Accuracy (%)
1st order	5,018	7,266	58
$\geq 2^{nd}$ order	10,166	10,779	96
Total	15,184	18,045	83
