

# High Rock Lake Nutrient Rules Engagement Process

## Steering Committee Meeting #2

Thursday, December 1, 2022, 9-11 am

[Via Zoom](#)

### Meeting Goals

*For Steering Committee members to...*

1. Understand and agree to the overall charge of the Steering Committee
2. Become more familiar with the *Reduction curve model analysis using proposed Water Quality Criteria for High Rock Lake*
3. Finalize the initial charge to the TAGs

### Ground Rules

*At its November 17, 2022 meeting, Steering Committee members agreed to work together by:*

- Beginning and adjourning meetings on time
- One speaker at a time
- Listen for understanding
- Say what you need to say while making room for others to say what they need to say
- Embrace a learning mindset
- Be mindful of assumptions and ask questions
- It's okay to disagree . . . please do so respectfully
- Share your own perspective and respect the perspectives of others
